

# FIRE SAFETY SOLUTIONS

PROTECTING WHAT MATTERS TO YOU

LIVES

ASSETS

BUSINESS CONTINUITY

EM1 CONTRACTOR

## TOTAL SOLUTION FOR

**FIRE DETECTION, ALARMING & EVACUATION, FIRE SUPPRESSION & FIRE PROTECTION SYSTEMS (FIRE HYDRANT AND SPRINKLER SYSTEMS)**

From an organization with over 80 years of trust

An organization known for its Engineering Excellence

Strong project reference base

Over 15 years of experience in fire safety scope

Professional assistance from a team of highly qualified and experienced engineers

An unmatched after sales service

Solution Partner

Building Technologies

**SIEMENS**

## PROJECT REFERENCES

<p><b>1 Cinnamon Life Colombo</b></p>	<p><b>Fire Detection and Alarm System with Fireman Communication System</b>            No. of Siemens Sinteso Fire Alarm Panels Connected to Siemens Danger Management Systems: 08            No. of Initiating Devices: 10,800   No. of Notification Devices: 130</p>
<p><b>2 Avic Astoria Residential Development, Colombo</b></p>	<p><b>Fire Detection and Alarm System with Integrated Fireman Communication System</b>            No. of Networked Siemens FireFinder XLS Panels with Integrated Fireman Communication System and Voice Evacuation Systems: 05            No. of Initiating Devices: 6,800   No. of Notification Devices: 1,800</p>
<p><b>3 Iconic Galaxy</b></p>	<p><b>Fire Detection and Alarm System with Integrated Fireman Communication System &amp; Voice Evacuation System</b>            No. of Siemens FireFinder XLS Fire Alarm Panels: 03   No. of Initiating Devices: 2,080              No. of Notification Devices: 550  <b>Fire Hydrant System:</b> No. of Hose Reels: 69   No. of Landing Valves: 36   No. of Extinguishers: 550  <b>Fire Sprinkler System:</b> No. of Sprinklers: 2,350</p>
