

Certificate

Diesel & Motor Engineering PLC

No. 65 Jetawana Road, Colombo 14, 01400, Sri Lanka

Multisite certification according to Annex

Certificate No:	Standard:	Issued:	Renewal:	Valid until:
LKPQ 146	ISO 9001:2015	2001.10.26	2025.10.21	2028.10.25
	ISO 14001:2015	2005.02.24	2025.10.21	2028.10.25
	ISO 45001:2018	2022.06.16	2025.06.15	2028.06.15

Certificate issued by Scandinavian Business Certification AB.

As proof that the management system has been audited and found to meet the requirements of:

ISO 9001:2015
ISO 14001:2015
ISO 45001:2018

The scope of the management system:

ISO 9001

- Sales and aftercare of motor vehicles, construction machinery, medical equipment, agricultural machineries & parts, material handling equipment, storage systems and indoor/outdoor power tools
- Receipt, storage, inspection and delivery of vehicles, agriculture machineries, storage and distribution of automotive components, consumer products and power tools
- Sales of automotive components, consumer lighting, consumer products and medical supplies
- Provision of solutions for lighting projects, renewable energy, fluid management, power engineering, marine engineering, marine propulsion systems, medical engineering, building technologies, elevators, escalators and services
- Design, manufacture and sale of low voltage power & control panels
- Import, blending, packing and sale of fertilizer
- Provision of vocational training on automotive engineering
- Sale and service of medical devices and equipment
- Sales, storage and dispatch of pharmaceuticals
- Designing and manufacture of recreational vehicles

SBcert

Scandinavian Business Certification AB is accredited by SWEDAC, accreditation number 10127, certification of management system. Control Union is a partner and not part of Scandinavian Business Certification AB accreditation.

ISO 14001

- Sales and aftercare of motor vehicles, construction machinery, medical equipment, agricultural machineries & parts, material handling equipment, storage systems and indoor/outdoor power tools
- Receipt, storage, inspection and delivery of vehicles, agriculture machineries, storage and distribution of automotive components, consumer products and power tools
- Sales of automotive components, consumer lighting, consumer products and medical supplies
- Provision of solutions for lighting projects, renewable energy, fluid management, power engineering, marine engineering, marine propulsion systems, medical engineering, building technologies, elevators, escalators and services
- Design, manufacture and sale of low voltage power & control panels
- Import, blending, packing and sale of fertilizer
- Provision of vocational training on automotive engineering
- Sale and service of medical devices and equipment
- Sales, storage and dispatch of pharmaceuticals

ISO 45001

- Sale & aftercare of motor vehicles, medical equipment
- Sale of automotive components
- Provision of solutions for power engineering, medical engineering, building technologies, elevators, escalators & services, lighting projects, fluid management and renewable energy projects
- Design & manufacturing of low voltage power & control panels
- Storage and distribution of automotive components, consumer products and power tools
- Provision of vocational training in automotive engineering and building services
- Receipt, storage, inspection and delivery of vehicles, agriculture machineries, aftercare of agriculture machineries
